

Furniture Handles & Knobs Key Table

Any furniture that features handles will be supplied with default handles, which in most cases, can be upgraded to a different colour finish to match your brassware. Units with wrap-over handles can be drilled to accommodate alternative styles, but please note this will leave visible holes on the inside of the unit where the original handle was positioned. Edyn & Keva ranges include colour-matched self-adhesive screw hole cover stickers, allowing bar-style handles to be fitted if desired. This table below is for recommendation only and we advise you to check compatibility of your chosen furniture and optional handles before purchasing.
